

SUMMER LEAGUE COACHING GUIDELINES

Updated 4/5/12

- We look to get all kids fairly equal playing time, so please try to substitute every 4-6 minutes when you have 8 or more players. When you have 6 or 7, waiting 6-8 minutes is not a problem.
- If the game is close, and you've been able to distribute playing time evenly throughout the game, feel free to put in the players you feel will give your team its best opportunity to win in the last two minutes of the game.
- Be positive at all times with the kids. Remember that this summer league is recreational, and positive encouragement is what we stand for.
- Be sensitive to the referees. They are volunteers and are doing the best they can.
- If you have any questions, seek out an NYBA Official, and we'll address any issue you may encounter.
